Subject: Microsoft settlement

Sirs,;

I think the time has come to put this to an end.
The settlement as is, is fair to all and should be ended now.
No other company has helped the public as much as Microsoft.
They are the only one's I know of that's gives so much to Charity.
I dont see any of the others doing this. Just because Microsoft
has the best product, as I have used, Is no reason to try to break
up the company... Thats just not the American way.

You may use this in any way you see fit. Thank you for letting
me put in my two cents worth..
